Identified reasons for number of failures

1. Only one paper (Paper – VII) in final year result is low (50%)
2. That paper is very tuff to understand and memorize.
3. Most of the students are irregular to the classes
4. Written practice must be required, that they did not do.
5. Textbooks are not available for that paper

Measures initiated for improving Pass Percentage

1. Now, 7th paper is removed from the syllabus
2. Attendance will be monitored in every class
3. Class absentees will get phone call and warning will be given to the students
4. Notes prepared and distributed to the students
5. Study hours and more assignments will be conducted

Other reasons identified by faculty

1. Students are less motivated, hence frequent motivational classes are required for students
2. Parents are illiterates, hence parents meeting is much needed to council them
3. They have no study material, hence free study material should be provided to the students
4. Students are struggling for Bus passes, hence counter or helping hand must be available in the college
5. No space to keep books and material, hence Almailrha is required for department to keep study material, model question papers, assignments and internal exam papers
